#### **Cassie G.**

Absolutely in love with my new baby! Thank you so much Cargotiator for the MOST AMAZING deal on my new Murano! If anyone is looking to buy or lease this is definitely the way to go! Thank you Cargotiator!!

#### **Jourdan M.**

Working with Cargotiator was so easy. They are extremely polite, know everything about buying a car and never spoke to me like I was "some guy". It was like a long time friend helping me out as a favor. Didn't cost me a thing! Try it out, they do ALL of the negotiating for you! They worked 100% with my budget and never persuaded me to spend more than I was comfortable with. I love my new truck!

#### **Ed N.**

Cargotiator got me the 2018 Honda Pilot EXL for the best price while maximizing my trade in value. Their efforts got me the best lease price with \$0 down by at least \$300 per month. I didn't realize having someone in your corner who knows the back rooms would be such a blessing. I won't go into another vehicle transaction without Cargotiator. THANKS!!!
